

P. ramorum Certification Program

Workshop on DVD/Video

To Participate in the *P. ramorum* Workshop:

- Order your choice of DVD or Video.
- This package includes the examination requirements.
- **For each additional person wishing to participate in the workshop, there is a charge of \$85 (Member price) or \$135 (Non-Member price) per person.** This includes their own Certification Standard and Nursery Manual as well as the examination when requested. *Persons must be registered as workshop participants to have their examination accredited for the program.*
- You should already have a copy of the October 2006 Certification Standard and the January 2007 Nursery Manual. You can access the electronic versions at <http://www.canadanursery.com>, and then click on 'Nursery Programs'.

This video fulfills the requirements of the workshop portion of the certification program. Follow these steps:

1. Watch the workshop video. It takes about 4 hours.
2. The October 2006 Certification Standard and the January 2007 Nursery Manual is your reference material during the screening of the video.
3. After watching the video and reviewing the reference material, you need to write an open book exam.
4. Contact the BCLNA to arrange to write the exam at the office or request information on invigilation. Invigilation requires that a person in a position of authority (teacher, minister or government official) is present while you write the exam to ensure that the time and condition requirements are met. You are responsible for costs (if any) for this service.
